ADVISING AND COURSE SELECTION

COLLEGE OF ARTS AND SCIENCES

The College of Arts and Sciences Academic Advisors are committed to helping incoming students successfully transition to Trinity Washington University, and to supporting all students as they navigate their scholastic journey and university life. In consultation with your advisor, you will select courses, create your academic plan, explore Trinity's majors, and discover different career paths. For assistance with the advising process, please contact the professional advisors by email (CAS-advising@trinitydc.edu), by visiting trinitydc.edu/cas-advising, or through Starfish.

SCHOOL OF PROFESSIONAL STUDIES

Select and submit your courses in Self-Service after reviewing your academic plan to determine which courses meet your degree program requirements and fit your schedule. As you select courses, be sure that you understand which courses fulfill core, major, or elective requirements. You should also review the Catalog and the schedule to be certain that you have completed all appropriate pre-requisites for the courses you have selected. If you choose not to take courses in sequence, or when they are available, you might not progress to degree completion as planned. If you have questions or concerns, please contact your academic advisor via email, through Starfish, or by calling for an in-person appointment at 202.884.9620 (Monday-Friday, 9:00 AM to 7:00 PM; Saturday 8:00 AM to 2:00 PM). Find the School of Professional Studies in Main 250 and at trinitydc.edu/sps/home/meet-your-sps-academic-advisors/.

First-year Students (24 credits or less): Each semester, review your academic degree plan with your advisor before selecting and submitting courses in Self-Service to ensure you are taking courses in an order that meets pre-requisites for your major and for electives and that supports your academic success. You should meet with your advisor at least twice each semester during your first year at Trinity.

Seniors (88 credits or more): Review your academic degree plan with your advisor before selecting and submitting courses in Self-Service to ensure you are not missing courses or degree requirements that would prevent you from graduating.

SCHOOL OF BUSINESS AND GRADUATE STUDIES

Select and submit courses in Self-Service after reviewing your academic plan to determine which classes meet your program requirements and fit your schedule. You should also review your academic plan to be certain that you have completed

all appropriate pre-requisites for the courses you have selected. Choosing not to take courses in the order suggested by your academic advisor, or when they are available, may delay degree completion. If you have questions or concerns, please contact your academic advisor before submitting courses. You may contact your advisor by email, through Starfish, or make an appointment by calling your advisor or the School of Business and Graduate Studies at 202.884.9640 (trinitydc.edu/bgs/academic-advisors/).

SCHOOL OF EDUCATION

Graduate students in Education should contact their advisor prior to registration each semester to determine appropriate courses for which to register. You should have frequent contact with your advisor to ensure that you are meeting both degree and certification requirements.

Undergraduate students pursuing an AA, BA or minor in education should follow the registration procedures for their collegiate unit. Additionally, you should check with the education advisor each semester to ensure that your general education, or core and your major courses, conform to your approved academic plans (trinitydc.edu/education/meet-the-staff/).

SCHOOL OF NURSING AND HEALTH PROFESSIONS

Students may apply for admission into the Nursing Program following completion of pre-requisite and general education requirements as listed in Trinity's Catalog. For questions, contact the program at 202.884.9670. Students admitted to the program meet with the academic advisor for nursing prior to starting NURS courses in order to review the nursing curriculum plan. Each student will be assigned a nursing faculty advisor during the first semester of nursing courses.

Students may apply for admission into the Occupational Therapy Assistant Program following completion of prerequisite and general education requirements as listed in Trinity's Catalog. For questions, contact the program at 202.884.9671. Students admitted to the program will meet with an OTA faculty advisor prior to starting OTA courses in order review the OTA curriculum plan. Each student is assigned a faculty advisor for the duration of the OTA program.

Graduate students in the School of Nursing and Health Professions should contact their faculty advisor prior to registration each semester to determine appropriate courses for which to register. You should have frequent contact with your advisor to ensure that you are meeting both degree and clinical requirements for your respective program (trinitydc.edu/nursing-health/meet-the-staff/).

NHP Students: Prior to each semester's registration period and before selecting and submitting your courses for registration in Self-Service,

you should review your academic degree plan with your advisor to ensure that you are taking courses in the sequence outlined and meeting academic and clinical requirements for progression within the respective NHP program. NHP programs outline specific progression for course completion. Students are expected to meet with their academic advisor at least once each semester to review their program's outlined course sequence. NHP programs also entail required clinical or fieldwork components. Students must complete clinical requirements in a timely manner to be eligible to participate in clinical or fieldwork experiences.

Students are to consult their program's policies and their respective clinical or fieldwork coordinator regarding clinical requirements and deadlines. Documentation of completion must be submitted prior to participation in any clinical or fieldwork rotation. NOTE: Clinical requirement deadlines often occur significantly in advance of course registration.

Students may be placed in a clinical or fieldwork rotation only if clinical requirements are documented as complete. Note that clinical or fieldwork sites sometimes require additional steps that take 2-3 weeks to complete. A student may be ineligible for clinical or fieldwork placement if a drug test or criminal background check shows positive results. A felony conviction may affect a student's ability to secure a clinical or fieldwork placement, which will prevent a student from completing degree requirements for graduation. A felony conviction may affect a graduate's ability to sit for a national licensure examination or attain state licensure.

REGISTRATION

RETURNING STUDENT REGISTRATION

All continuing students must complete online registration using Self-Service at selfservice.trinitydc.edu. Self-Service uses a shopping cart function similar to many retail websites. Remember that if courses are still in your shopping cart, you have not actually registered; you must also submit your courses for approval via Self-Service. Once your advisor has electronically approved your courses in Self-Service, your registration will be finalized.

The Self-Service link (selfservice.trinitydc.edu) has a Help Guide as well as a link to use if you have lost or have not received your username and password. Please consult the Help Guide if for registration assistance. If you continue to have difficulty, you may contact the Office of Enrollment Services in Main 154 or at 202.884.9530.

NEW STUDENT REGISTRATION

Please refer to your admission letter for instructions about contacting your advisor and registering.

COURSE AND SCHEDULE INFORMATION

ADD/DROP PERIOD

You are permitted to change the courses for which you are registered in Self-Service without incurring additional charges during the Add/Drop Period. (See the Academic Calendar in this schedule booklet for specific dates by session.) During this period, you may drop a course that you are registered for or add a course to your current schedule. After the Add/Drop Period has ended, you will be charged for any course for which you are registered, and a record of these courses will appear on your official transcript. You must complete all registration by the end of the Add/Drop Period.

WITHDRAWING FROM COURSES

Once the Add/Drop Period has passed, a course may not be removed from your academic record for any reason. You may, however, withdraw from a course at any time up to the deadline for withdrawal; dates are listed in the Academic Calendar. When a student withdraws from a course, a designation of “W” (Withdrawal) will appear on the student’s transcript. Students who fail to withdraw officially or to meet course requirements are subject to receive a grade of “F” (Failure). Students are responsible for payment for courses from which they have withdrawn. Financial aid recipients who withdraw are subject to federal refund and repayment requirements. For more information, see “Federal Refund/Repayment Requirements when a Student Withdraws” at trinitydc.edu/policies/federal-refundrepayment-requirements.

To withdraw from a course, follow the following steps:

- Obtain a Course Withdrawal Form in the Office of Enrollment Services or at trinitydc.edu/enrollment/general-student-forms
- Fill out and sign relevant sections of the Course Withdrawal Form
- Confer with your academic advisor to discuss how withdrawing from the course may affect your academic plans
- Obtain your academic advisor’s signature
- Return the signed form to the Office of Enrollment Services by the withdrawal deadline, at which point a grade of “W” in the course will be entered on your transcript.

ROOM ASSIGNMENTS

Check Self-Service for classroom assignments. Room assignments are also posted on the kiosks in the Well adjacent to the main entrance to Main Hall, in Main Hall basement, and in the lobby of the Payden Academic Center. Room assignments may change up to and during the first week

of class. Check Self-Service just before the first meeting of your class(es) to confirm room assignments.

CANCELLATION OF COURSES

Occasionally it is necessary to cancel a scheduled course because of low enrollment, emergency staffing changes, or other unavoidable reasons. Every effort is made to announce a cancellation before the first class meeting, but this is not always possible. If a course is cancelled after its official start date, a student who does not choose to transfer to another course may receive a full refund of the tuition and fees paid for the cancelled course.

EMERGENCY/WEATHER CLASS CANCELLATIONS

Classes at Trinity are expected to meet according to the announced schedule. Unless cancellation of classes is announced publicly through the local communication media and at trinitydc.edu, classes will meet. When cancellation of classes is necessary, instructors are expected to arrange additional readings, study assignments, or class meetings to compensate for the lost time in class. The emergency/weather cancellation number is 202.884.9009. You may also consult the weather blog for weather-related cancellations and request school-wide weather alerts via text message. Sign up for Trinity’s emergency text messaging system: text ‘trinitydcalerts’ to 555888.

PAYMENT INFORMATION

You may view and make payments to your student account in Self-Service. Students are expected to pay all fees and any previous balances in full or to make satisfactory arrangements for payment before the first day of classes. Students without a payment arrangement by the first day of class are charged a late fee. If you have questions or concerns about your payment, please contact Enrollment Services at 202.884.9530.

3. Employer Vouchers

Trinity also accepts employer vouchers from companies that assist their employees with tuition. If your employer provides financial assistance, you will need to submit a voucher every semester to generate employer billing at the time you seek financial clearance. Students are required to pay all fees and costs not covered by their employer prior to the beginning of the term.

4. Installment Payment Plan

Trinity allows students to arrange for payment of tuition in monthly installments over the course of the semester. There is a fee for participation, but there are no interest charges. Students may sign up for the automatic payment plan in Self Service under My Finances. The plan is not available for Summer, May, Winter, or other accelerated terms. Please contact Enrollment Services at trinitydc.edu/enrollment or 202.884.9530 for more information.

FINANCIAL AID

Trinity recognizes that today, more than ever before, investing in education requires planning, and so the University is prepared to assist students and their families in making higher education affordable through financial planning and counseling and installment payment plans.

Financial aid is awarded on the basis of demon-

strated and verifiable financial need as determined by subtracting the student's estimated contribution from the total cost of education for the respective academic year. Students applying for financial aid will be considered for all programs for which they are eligible, and assistance is generally a combination of grant, loan and employment funds. Trinity participates in all Federal Title IV student financial assistance programs. You should contact Enrollment Services at 202.884.9530 as early as possible to discuss tuition planning for your university education.

Trinity provides financial aid through its endowed scholarships, loan funds, and its allocation of non-endowed operating revenues. It also administers funds available through federal programs. Individuals should also seek aid from state and local programs for which they are eligible. Currently, about 90% of the student body receives some type of financial assistance.

APPLYING FOR FINANCIAL AID

To apply for financial aid, you must complete the Free Application for Federal Student Aid (FAFSA) or Renewal FAFSA. Trinity's school code is 001460. An application may be completed online at www.fafsa.gov. The priority deadline for the fall semester is April 1. Students beginning their academic program in the spring semester should file the FAFSA by October 1 of the previous year. For more information about applying for aid and a detailed description of available programs, please visit trinitydc.edu/enrollment or call 202.884.9530.

VETERANS' BENEFITS

Students entitled to benefits as veterans of the United States Armed Forces should contact Enrollment Services at 202.884.9530 or enrollment-services@trinitydc.edu for information about eligibility and certification.

FINANCIAL RESPONSIBILITY

Financial obligations to Trinity are governed by the principle of Honor. Fulfilling financial obligations is a matter of justice for the entire community, and failure to meet those obligations has severe consequences for the entire community.

Students are responsible for the timely payment of their accounts, even if parents, family members, employers or others pay the bill. Students and families that need financial assistance are expected to work directly with Enrollment Services. These students are expected to complete their financial aid applications each year by the published deadlines. Book vouchers are a service the University provides to students who have a credit balance on their student accounts. Late financial aid applicants will not receive a book voucher.

Students with outstanding balances will not have their course registrations processed until their fi-

nancial obligations are satisfied or arrangements for payment have been made. Trinity reserves the right to refuse a payment plan if the prior financial conduct of the student or family indicates an inability or unwillingness to meet financial obligations to Trinity in a timely way.

transcripts for each school attended.

- Applicants to all graduate programs must provide official documentation of having completed a bachelor's degree from an appropriately accredited institution of higher learning with a minimum undergraduate GPA of a 2.8 on a 4.0 scale. Please note the School of Nursing and Health Professions requires a minimum cumulative GPA of a 3.0 on a 4.0 scale for consideration of admission into the Master of Science in Nursing Program.

International applicants are required to provide official documentation of English language proficiency through a passing TOEFL, IELTS, or equivalent exam score; an official evaluation of education obtained outside of the U.S.; and the Trinity International Student Supplemental form. International applicants may only apply for full-time student status. If accepted for admission, students must demonstrate sufficient funds to cover expenses for at least one academic year.

The following materials are required for admission consideration into any program:

- An online application
- An admissions essay (relevant to the school and degree program to which one is applying)
- Letters of recommendation
- Copies of all transcripts. Official copies are required to request transfer of degree credits.

Please note specific degree programs may require additional materials. Please refer to the Office of Admissions website or contact admissions@trinitydc.edu or 202.884.9400 for further information.

DEPARTMENT OF PUBLIC SAFETY

The Department of Public Safety (DPS) at Trinity is a full-service public safety provider with responsibility for campus safety, campus crime awareness, campus crime prevention and education. Additionally, DPS has oversight of parking services, ID card services, shuttle bus transportation, emergency management services, residential security and a vast array of duties including staffing special events, providing safety escorts, administering vehicle assistance and managing vehicular and traffic control on campus. Located in Main Hall, Room B8, DPS is operational 24 hours per day, 7 days per week. Trinity's Communications Center is staffed by a DPS Officer (dispatcher) at all times.

REPORTING CRIME, UNUSUAL OR SUSPICIOUS ACTIVITY, AND OTHER EMERGENCIES

DPS officers patrol the campus on foot and by vehicle, responding to all calls for service received by the department, whether criminal or non-criminal in nature, both on and immediately near the campus. DPS reports major offenses to appropriate law enforcement authorities and emergency care providers as needed or as required. All students, faculty, staff and guests should immediately report suspicious or unusual activity by calling x9111 from a campus phone or 202.884.9111 from an off-campus location.

For additional information regarding safety and security on campus as well as other services provided by DPS, please visit Trinity's homepage at trinitydc.edu/safety to view a copy of the Annual Campus Security and Fire Safety Report. Look for "Public Safety News" on the homepage, containing articles, announcements and other information related to campus-wide safety and security. This is the first cooperative step in committing

to the significant responsibility that you share for your personal safety and the safety of those around you.

DPS personnel are dedicated to the mission of building strong alliances with all members of the Trinity community and working in a professional manner to provide a secure environment where the quality of education may be enhanced.

GRADES

Final grades are available at the end of each term via Self-Service.

LIBRARY SERVICES

The Sister Helen Sheehan Library provides access to Trinity's online catalog as well as the holdings of major university libraries in the D.C. region, and offers a range of databases as well as research help, internet access, computers, printing, and community library services.

The Library also houses the Academic Services and Career Services Centers, which provide tutoring, study skills workshops, writing and math assistance, and career development and support, respectively. There are also classrooms and multimedia rooms in the building; the latter can be used as study spaces or to watch or listen to a variety of media as well as to record presentations.

PARKING

In order to park on campus, all students, faculty, staff, affiliates and guests must register their vehicle(s) with DPS and display a current parking sticker, visitor pass or temporary parking permit at all times in their car. Parking permits may be obtained through the parking permit website: <https://trinity.thepermitstore.com/>. Parking permits must be affixed inside the front windshield, in the upper left corner (driver's side). The permit

must be clearly visible through the front windshield to ensure maximum visibility and smooth traffic flow upon entering campus access points.

What you need to register your vehicle and obtain a parking permit:

- Last 4 digits of your Social Security Number
- Last Name (as it is in Self-Service)
- Vehicle Info: License Plate, State, Year, Color, Make, Model of Car
- Valid Visa, MasterCard, Discover, or American Express Card
- Address where parking permit should be sent

Further information about registering your vehicle can be found at trinitydc.edu/business/parking-instructions/

Parking restrictions are enforced 7 days per week, 24 hours per day, year round. Students may park only in lots designated for students; violations may result in fines, which will be assessed to the student account.

To view Trinity's parking map and parking rules and regulations, visit the DPS homepage at trinitydc.edu/safety.

PICTURE IDENTIFICATION

A key component of campus security is for all students, faculty and staff to carry their Trinity identification card while on campus. In order to ensure a safe and comfortable learning community, DPS checks ID cards for all people entering campus buildings. Photos for Trinity IDs will be taken during Payment Arrangement. If you miss the Payment Arrangement period, please visit Enrollment Services in Main 154 for a payment arrangement form that can be taken to DPS to have an ID made. A \$15 fee is assessed to replace lost or stolen ID cards.

PLACEMENT TESTING

Undergraduate students in some academic programs, such as students completing pre-requisites to apply to the nursing program, are required to take placement assessments prior to enrolling in select entry-level classes. Admissions officers and academic advisors will inform students if they are required to take an assessment for placement into a course. Results from the assessments may also allow students to "test-out" of select first-year introductory courses through demonstration of mastery of course knowledge and competencies. Students may schedule placement assessments by contacting the Academic Services Center in the Sister Helen Sheehan Library at 202.884.9360, via email at skillsassessment@trinitydc.edu, or by visiting trinitydc.edu/academic-services/testing-resources/accuplacer-appointments/. Most students are not required to take this assessment.
