

TIPS FOR ACADEMIC SUCCESS

- Create a study plan
- Manage your time by using a schedule
- Conduct short daily reviews
- Review material and prepare for exams throughout the semester
- Discuss academic concerns with an expert (professor, advisor, Academic Support)
- Make studying a habit
- Prioritize your academic activities
- Allow time for social activities to avoid burnout
- Establish goals each semester
- Read textbooks and assigned materials
- Follow suggestions for success made by your professors (often found in the syllabus)
