TRINITY ATHLETICS UPDATES

The Trinity Athletics department has adjusted their women's basketball game schedule due to the surge in COVID cases over the holiday season. The health and safety of our student athletes, staff and the Trinity community are our number one priority.

Trinity will host Hollins on February 3, 2022 at 6:00 PM to celebrate Women & Girls in Sports Day. They will wrap up the season with Central Penn at home on February 19, 2022 at 2:00 PM. Students, faculty and staff are welcome to attend. Masks must be worn upon entry into the building and at all times. Spectators with the opposing team are not allowed to attend.

Please check out our Trinity Athletics YouTube page for live game coverage
