Let's Go Tigers!

VOLLEYBALL

LET'S RECAP

Last Saturday, October 7th, Trinity Volleyball hosted an exciting tri-match featuring Mid-Atlantic Christian University (MACU) and Harford Community College. Trinity started off the afternoon with a competitive showing against MACU. The Tigers' electric team spirit filled the gym as they displayed strong serves, impressive passing, and led several thrilling volley series.

Despite falling short, Trinity carried their strong effort into their next match against the Harford Fighting Owls. The Tigers showed tremendous fight and resilience, as their energy remained high, and their communication and hustle were apparent throughout the competition.

Despite a tough loss, Trinity gathered numerous positive takeaways from this match. The team's passing continued to improve and the crowd was often brought to its feet after some dynamic kills by middle blocker Syquoiah Hall. Overall, the Tigers are consistently improving in various skill areas and continue to show strong team cohesion. Trinity Volleyball will finish the remainder of the season on the road. They face Christendom College on Wednesday, October 11th at 6pm.

Keep up!
