

Trinity May 2021 Commencement

- **Concept for Outside Diploma Distribution Ceremony**
- *Note: The ongoing pandemic conditions make it impossible to conduct a full commencement ceremony in May 2021. Trinity has created this concept for an outdoor diploma distribution ceremony that will accompany the virtual graduation events for each academic unit.*
- The virtual graduation events will take place on May 18-19-20 on a schedule to be announced. These are ceremonies that take place on zoom, that give graduate and families a chance to participate and speak.
- The outdoor diploma distribution ceremonies will take place as follows:
 - Friday, May 21, 5 pm for graduates in PGS (including SPS, BGS and EDU)
 - Saturday, May 22, 10 am for CAS
 - Saturday, May 22, 2 pm for NHP

Graduation Parade Diagram:

Cars enter on Cuvilly Drive, parade around campus, stop in front of the library where the graduate gets out, name is called, walks up to get diploma, photos, then exits back to car

Graduation Parade proceeds around behind Cuvilly and past the tennis courts to the Trinity Center parking lot...

If the car is not part of the graduation group, then staff direct the driver up Kerby road to exit onto 4th Street

Stop #1:
Cars: Check-in to verify on grad list.

Stop #2:
Name check and entered onto announcement list, placard with name affixed to side of car and grad also gets a placard

Stop #3:
The big moment! Grad gets out of car, Provost Ocampo announces name, grad walks up left-hand walkway, gets diploma, poses for photos, exits on right-hand walkway, gets back into car and drives out.

Graduation cars enter onto Cuvilly Driveway

Walkers:
Grads arriving by bus, drop-off, walk-ins --- check-in table will be on the front lawn and you will be placed into the diploma line

Graduation cars turn right onto Michigan, do not try to cross traffic with a left turn.

Happy grad walks down this aisle to car & leaves....

Grad exits car ; Provost calls name, Grad walks up this side....

Diploma placed on table... Grad picks up diploma....
