2020–2021 Non-Filing Income Statement (Tax Year 2018): Student

Your 2020-2021 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information Trinity will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and/or spouse must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the Office of Enrollment Services. Trinity may ask for additional information. If you have questions about verification, contact the Office of Enrollment Services as soon as possible so that your financial aid will not be delayed.
