## 2021-2022 Aggregate Verification Worksheet - Independent Student

*Your 2021-2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information Trinity will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the Office of Enrollment Services. Trinity may ask for additional information. If you have questions about verification, contact the Office of Enrollment Services as soon as possible so that your financial aid will not be delayed. Important Note: The instructions below apply to the student and spouse, if the student is married.*

**C. Independent Student’s Income Information to Be Verified** (Only complete Part 1 or Part 2 of Section C)

**Part 1: For Tax Return Filers**

**Instructions:** Complete this section if you (and your spouse if married) filed or will file a 2019 income tax return with the IRS. The best way to verify income is by using the IRS Data Retrieval Tool (DRT) that is part of FAFSA on the Web at FAFSA.gov. Usually, no further documentation is needed to verify 2019 income information that was transferred into the student’s FAFSA using the IRS DRT if that information was not changed by the FAFSA filer. Notify the financial aid office if you and your spouse filed separate IRS income tax returns for 2019, have amended your 2019 income tax return(s) or had a change in marital status after 10/01/2020.

**Check the box that applies:**

- The student has used the IRS Data Retrieval Tool to retrieve and transfer 2019 IRS income information into the student’s FAFSA. Trinity will use the IRS information that was transferred in the verification process.
- The student is unable or chooses not to use the IRS Data Retrieval Tool and will submit to the school a 2019 IRS Tax Return Transcript (not a photocopy of the income tax return).

**NOTE:** A 2019 IRS Tax Return Transcript can be obtained by: **(1) mail or online** at [www.irs.gov](http://www.irs.gov) and clicking on the “Get My Tax Record” link (select “Get Transcript by MAIL or ONLINE”) Make sure to request “Return Transcript” and NOT the “Account Transcript; **(2) automated telephone** request by calling (800) 908-9946; or **(3) paper request** form – IRS Form 4506T-EZ or IRS Form 4506-T. *You will need your social security number, date of birth, and the address on file with the IRS as shown on 2019 tax return filed. If choosing this option, the tax return transcript must be submitted with this form.*

- If the student, if married, filed separate 2019 IRS income tax returns, the DRT cannot be used and the 2019 IRS Tax Return Transcript(s) or a signed copy of the 2019 income tax return and applicable schedules must be provided for each.

\_\_\_\_\_ Check here if a 2019 IRS Tax Return Transcript(s) or a signed copy of the 2019 income tax return and applicable schedules is provided.

**Part 2: For Nontax filers:**

**Instructions:** Complete this section if you, and your spouse if married, will not file and were not required to file a 2019 income tax return with the IRS.

**Check the box that applies:**

- I certify that I, the student, and spouse if married, was not employed and had no income earned from work in 2019
- I certify that I, the student, and spouse if married, was employed in 2019 and have listed below the names of all employers and the amount earned from each employer in 2019. (Provide copies of **all** 2018 IRS W-2 or 1099 forms issued by the employers). List every employer even if the employer did not issue an IRS W-2 or 1099 form.

Employer’s Name	2019 Amount Earned

**You must provide documentation from the IRS or other relevant tax authority (if foreign tax authority) dated on or after October 1, 2020 that indicates a 2019 Income tax return was not filed with the IRS or other relevant tax authority.**

- Check here if confirmation of nonfiling for tax year 2019 is provided. **Please note that if this confirmation is not included Trinity will not be able to complete verification.**

**Note:** You can request an IRS Verification of Nonfiling at <https://www.irs.gov/pub/irs-pdf/f4506t.pdf> by completing and mailing **IRS form 4506-T** to the IRS (fill out lines 1a, 1b, 3, check line 7, enter 12/31/2019 on line 9, and all required information under the “Signature of Taxpayer” section.
