2022-2023 Aggregate Verification Worksheet - Independent Student

Your 2022-2023 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information Trinity will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the Office of Enrollment Services. Trinity may ask for additional information. If you have questions about verification, contact the Office of Enrollment Services as soon as possible so that your financial aid will not be delayed.

C. Independent Student's Income Information to Be Verified (Only complete Part 1 or Part 2 of Section C)**Part 1: For Tax Return Filers** – only to be completed if you filed or will file a 2020 income tax return with the IRS.

Instructions: Complete this section if you, the student, filed or will file a 2020 income tax return with the IRS. The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at FAFSA.gov. In most cases, no further documentation is needed to verify 2020 income information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed by the FAFSA filer.

Check the box that applies:

- The student has used the IRS Data Retrieval Tool to retrieve and transfer 2020 IRS income information into the student's FAFSA. Trinity will use the IRS information that was transferred in the verification process.
- The student is unable or chooses not to use the IRS Data Retrieval Tool and will submit to the school a 2020 IRS Tax Return Transcript (not a photocopy of the income tax return). If the student, if married, and spouse filed separate 2020 IRS income tax returns, the IRS DRT cannot be used and the 2020 IRS Tax Return Transcript(s) or a signed copy of the 2020 income tax return and applicable schedules must be provided for each.

A **2020 IRS Tax Return Transcript** (not account transcript) may be obtained through the following:

- (1) **Mail** by going to www.irs.gov and clicking on the "Get My Tax Record" link -select "Get Transcript by Mail"
- (2) **Online** by going to www.irs.gov. Click "Get My Tax Record", "Get Transcript Online". The user must have a) access to an email address b) a text-enabled mobile phone in the user's name (no pay-as-you-go plans), and c) specific financial account numbers (such as a credit card number or an account number for a home mortgage or auto loan). The transcript displays online upon successful completion of the IRS's two-step authentication.
- (3) **Automated telephone Request** by calling (800) 908-9946. Transcript is generally received within 10 business days from the IRS's receipt of the telephone request
- (4) **Paper request Form** – IRS Form 4506T-EZ or IRS Form 4506-T. You will need the address on file with the IRS as shown on 2020 tax return filed. If choosing this option, the tax return transcript must be submitted with this form. Transcript is generally received within 10 business days from the IRS's receipt of the paper request form

Part 2: For Nontax filers

Instructions: Complete this section if you, the student, will not file and was not required to file a 2020 income tax return with the IRS.

Check the box that applies:

- The student was not employed and had no income earned from work in 2020
- The student was employed in 2020 (but was not required to file a 2020 income tax return with the IRS) and has listed below the names of all the student's employers and the amount earned from each employer in 2020. *Attach copies of all 2020 IRS W-2 or 1099 forms issued to the student by employers.*

Employer's Name	2020 Amount Earned
Example: Suzy's Auto Shop	Example: \$2,000

IMPORTANT: You must provide documentation from the IRS or other relevant tax authority (if foreign tax) dated on or after October 1, 2021 that indicates a 2020 Income tax return was not filed with the IRS or other relevant tax authority.

- Check here if confirmation of nonfiling for tax year 2020 is provided. (Needed to complete verification)

Note: You can request an IRS Verification of Nonfiling at <https://www.irs.gov/pub/irs-pdf/f4506t.pdf> by completing and mailing **IRS form 4506-T** to the IRS (fill out lines 1a, 1b, 3, check line 7, enter 12/31/2020 on line 9, and all required information under the "Signature of Taxpayer" section).
